RUBY M. SISSON MEMORIAL LIBRARY
FOUNDATION & FRIENDS

The mission of the Ruby M. Sisson Memorial Library Foundation is to support and enhance the Ruby M. Sisson Memorial Library by raising funds for information resources, programs, services, and facilities. The Foundation is a 501c3 nonprofit organization led by a volunteer board of directors and supported by individual donors and community partners.

The Ruby M. Sisson Memorial Library Foundation partners with individuals, organizations, foundations, and businesses to raise funds for Library innovation and excellence. Your corporate sponsorship is a unique opportunity to demonstrate your commitment to supporting an essential community service. You will be supporting the programs, resources and services that the Library provides to the more than 6000 people who use the Library every month.

With your generous corporate sponsorship, we will build an even stronger and more connected community of life-long learners. Your contribution may be tax-deductible. To discuss how we might customize a package that most represents your company's philosophy, please contact us at 970-264-2102 or foundation@pagosalibrary.org.
